WORK EXPERIENCE

fullstack web developer

Terima Limited, Lagos, Nigeria. Full
02/02/2019 – Current

📍 Lagos, Nigeria

My duties involve fullstack web development using Javascript stack technologies such as vanilla Javascript or React Js on the client side and Node Js integrated with Postgresql on the server side. I also engage test driven software development using a Javascript framework called Mocha and an assertion library called Chai, as these constitute into software development best practices

Data & Business analyst

Yiminde global limited, Lagos, Nigeria
06/01/2018 – 31/01/2019

📍 Lagos, Nigeria

My responsibilities included conducting daily business analysis of various cosmetics product lines, crafting out opportunities, identifying problems and modeling possible solutions, from rapid analytical deductions made while using tools like python, numpy, pandas and matplotlib.

intern

Grandrey International Computer Networks, Lagos, Nigeria.
03/03/2017 – 02/06/2017

📍 Lagos, Nigeria

I worked as an intern at Grandrey international computer networks where I got my first hand introduction into the industrial application of computer programming and learnt the basic skills to help furnish an insight into my career as a computer scientist.

EDUCATION AND TRAINING

National Open University of Nigeria

Bachelors of science
14/07/2014 – 03/12/2019

📍 Plot 14, 16 Ahmadu Bello Way, Victoria Island, Lagos, Nigeria | <https://nou.edu.ng/>
